11. Next ETAC Meeting

- 11.A May 26, 2026

12. Adjournment

For more information on the Ellensburg Transportation Advisory Committee, contact Transit Manager, Betsy Dunbar, at 509-925-8680.
The Contents of this agenda have been photocopied on recycled paper.

made by Committee Member Chrisman.

Motion carried 5-0.

4. Public Comment

No members of the public were in attendance or on line.

5. Consent Agenda

There were no Consent Agenda Items.

6. Transit Updates

6.A

RFP Updates.

RFP status updates were presented.

6.B

Transit Updates.

February ridership updates were given along with the February on-time performance percentages.

Rider Alerts Subscriptions are now available on the ECT Website.

6.C

ADA Capital Project Discussion.

The 2026 bus stop improvements and capital projects were shared. Planned projects include 30 ADA bus stops along with sidewalk and curb improvements leading to bus stops. In addition, three bus shelters will be installed, located at the Fish Food Bank, Wildcat Way NB, and Brooklane Village.

7. Transportation Updates

7.A

Capital Improvement Project Update.

Mtn. View, and Bull Traffic Signal project started construction last week. We anticipate about two months of construction, then there will be a pause in construction until such time as the traffic signal equipment is delivered to the site, which is anticipated in August. Installation of the traffic signal components should take about a week, and then the signal will be fully operational.

A design consultant has been selected for the design of the roundabout at the intersection of Anderson Road and Umptanum Road. We hope to have a consultant agreement in final draft form later this week and will need to take it

straight to Council for consideration, as we hope to get this work started as soon as possible. Staff will report back to the commission at the next meeting on this item.

Design work has commenced on the Vantage Hwy. Pathway project. Staff will share draft plans with the commission once they are available.

7.B

Grant Application Update.

Staff submitted the intersection widening and improvements of University Way and Water St. to FMSIB for their current call for grant projects. If funded, this project would widen University Way to include left turn pockets and upgrade the traffic signal to run as an 8-phased traffic signal.

7.C

Comprehensive Plan Transportation Element Status.

Work is still being done on the Transportation Chapter of the current Comp. Plan update. Staff anticipate that we will be able to present the draft Transportation Chapter and traffic modeling information to the Commission at the April 21st meeting.

8. Member Updates

Several updates were shared by ETAC members.

9. Next ETAC Meeting

April 21, 2026.

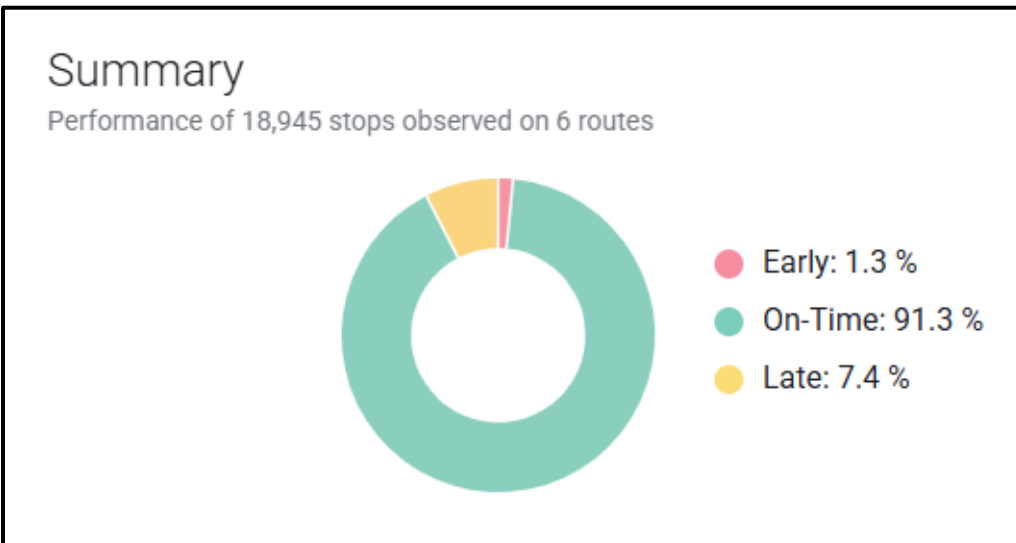

10. Adjournment

The March 17, 2026, ETAC Meeting Ajournd at 4:00 PM.
